CONTENTS

NUMBER 1

Review articles

1 Therapeutic progress—Review XV
The treatment of oesophageal varices and portal hypertension
D. Clements and E. Elias

15 Factors contributing to variability in drug pharmacokinetics. II. Drug distribution
P. A. Routledge

25 Factors contributing to variability in drug pharamacokinetics. III. Metabolism
D. B. Jack

45 Drug targeting—current aspects and future prospects
C. W. Pouton

Research and reports

59 Cost-benefit analysis of clinical pharmacy services in three Iowa family practice offices
E. A. Chrischilles, D. K. Helling and C. R Rowland

67 Stability of metronidazole and ten antibiotics when mixed with magnesium sulphate solutions
V. Das Gupta and K. R. Stewart

73 High performance liquid chromatography of benzalkonium chlorides—variation in commercial preparations
M. R. Euerby

79 Growth of microorganisms in total parenteral nutrition mixtures and related clinical observations
E. M. Scott, S. P. Gorman, T. D. Wyatt and E. A. Magill

89 Anti-rheumatic and analgesic drug usage and acute gastro-intestinal bleeding in elderly patients
A. M. Alexander, G. B. A. Veitch and J. B. Wood

95 Microbial contamination of non-sterile pharmaceutical products made in hospitals in the North East Thames Regional Health Authority
R. M. Baird

Notes

101 Relationship of age, weight and body surface area to warfarin maintenance dose requirements
D. M. Kirking, I. A. Cohen, M. E. Shue and T. A. Hutchinson

107 Memory and medication compliance
S. E. Norell

111 **Book review**

NUMBER 2

Review articles

113 Therapeutic progress—Review XVI
Antihypertensive agents—the race for third place
S. A. Smith and W. A. Littler

123 Therapeutic progress—Review XVII
Oral contraception and cancer of the female reproductive system
K. L. Woods

137 The committee on review of medicines
O. L. Wade

143 The control of cancer chemotherapy-induced nausea and vomiting
L. J. Dodds

Research and reports

167 Evaluation of a pharmacist-managed anticoagulation clinic
I. A. Cohen, T. A. Hutchinson, D. M. Kirking and M. E. Shue

177 Differential pulse polarographic determination of formaldehyde in stored noxythiolin solutions
A. D. Woolfson, D. F. McCafferty, S. P. Gorman and L. Anderson

185 A comparison of the antimicrobial activities of noxythiolin and formaldehyde solutions
S. P. Gorman, D. F. McCafferty, A. D. Woolfson and L. Anderson

193 Impurity of thrombin preparations for clinical use
S. Ueshima, T. Yamamoto, K. Okada, T. Sakai and O. Matsuo

Notes

203 A note on the contamination of eye-drops following use by hospital out-patients
J. L. Ford, M. W. Brown and P. B. Hunt

211 Theophylline versus aminophylline in rectal administration
E. Touitou and S. Yosselson-Superstine

219 Dosage of tobramycin in cystic fibrosis—a short report
H. Chrystyn and J. M. T. Alexander

221 **Book reviews**

NUMBER 3

Review articles

223 Carcinogenicity of some anticancer drugs—a survey
E. J. Lien and X. Ou

243 Chest infections—are we making progress?
S. R. Smith, R. I. Gove and R. A. Stockley

257 Pharmacokinetic contributions to drug use
K. Chan

269 QSAR analysis of drug excretion into human breast milk
M. S. Meskin and E. J. Lien

Research and reports

279 The effectiveness of drug level monitoring and pharmacokinetics in individualizing theophylline therapy
R. W. Fitzpatrick and C. Moss-Barclay

289 The distinction of silicone-foam dressings
B. K. Evans, K. G. Harding, J. Marks and C. D. Ribeiro

From the drug information centres

297 A decade of drug information experience in Northern Ireland
M. E. Maguire, P. F. D'Arcy and A. M. J. Smith

303 Pharmaceutical officers and specialist principal pharmacists in the United Kingdom National Health Service
G. B. A. Veitch

Notes

321 Another look at the pharmacist as an adviser
M. Dullinger and A. I. Wertheimer

325 **Book reviews**

NUMBER 4

Review articles

327 Therapeutic progress—Review XVIII
Alzheimer's disease
M. J. Kendall, M. C. Chellingsworth and A. N. H. Main

337 Factors contributing to variability in drug pharmacokinetics. IV. Renal excretion
C. G. Regårdh

Research and reports

351 The stability of sodium nitroprusside infusion during administration by motorized syringe-pump
G. J. Sewell, D. R. Forbes and T. J. Munton

Notes

361 Clinical-pharmacokinetic investigations of acetylsalicylic acid in cases of imminent premature delivery
A. Jankowski, S. Skublicki, L. M. Wichliński and W. Szymański

367 Biological activity of polynoxylin—an insoluble urea-formaldehyde condensation product
J. I. Blenkharn

373 A sensitive colorimetric method for the determination of imipramine hydrochloride and desipramine hydrochloride
F. A. El-Yazbi, M. A. Korany and M. Bedair

379 Chemical stabilities of cefamandole nafate and metronidazole when mixed together for intravenous infusion
V. Das Gupta, K. R. Stewart and M. Dela Torre

385 Stability of procaine hydrochloride in a cardioplegic solution containing bicarbonate
R. Synave, A. Vergote and J. P. Remon

From the drug information centres

389 Programme integration to support drug information and dissemination
D. B. Worthen, J. Michael Burns and B. Rowles

397 Anonymous peer review of answers received from drug information centres
G. R. Gallo, J. A. Vander Zanden and A. I. Wertheimer

403 **Book reviews**

407 **Author index**
